PROPOSAL

**2016 SEAL COAT PROJECT
Laurel Creek and Travis Meadows**

To the City Clerk of the City of Fairfield:

The undersigned declares that he has examined the locations of the proposed work, that he has examined the plans, specifications, and all the contract documents, and hereby proposes to furnish all materials, labor, equipment, and perform all the work in strict accordance with said plans, specifications, and contract documents in consideration of the attached schedule.

The undersigned further agrees that, upon written acceptance of this bid, he will within fifteen (15) working days of receipt of such notice execute a formal contract agreement with the City of Fairfield, with necessary bonds and certificate and city standard form endorsement of insurance. He also agrees that, in the case of default in executing the contract, the proceeds of the check or bond accompanying his bid shall become the property of the City of Fairfield.

The undersigned agrees that, if awarded the contract, he will commence the work upon written notice to proceed and shall diligently prosecute the same to completion before the expiration of **70 working days** from the date of said written notice to proceed.

Bids are to be submitted for the entire work.

The amount of the bid for comparison purposes will be total amount of bid.

The bidder shall set forth for each unit basis item of work an item price and a total for the item, and for each lump sum item a total for the item, all in clearly legible figures in the respective spaces provided for this purpose. In the case of unit basis items, the amount set forth under the "Total" column shall be the extension of the item price bid on the basis of the estimated quantity for this item.

In case of discrepancy between the item price and the total set forth for a unit basis item, the item price shall prevail, provided, however, if the amount set forth as an item price is ambiguous, unintelligible or uncertain for any cause, or is omitted, or is the same amount as the entry in the "Total" column, then the amount set forth in the "Total" column for the item shall prevail and shall be divided by the estimated quantity for the item and the price thus obtained shall be the item price.

The following quantities are approximate only, being given as a basis for the comparison of bids, and the City of Fairfield does not expressly or by implication agree that the actual amount of work will correspond therewith and reserves the right to increase or decrease the amount of any portion of the work or to omit portions of the work as may be deemed necessary or advisable by the Engineer. The undersigned further agrees to accept the aforesaid unit bid prices in compensation for any additions or deductions caused by variation in quantity due to more accurate measurement or by any changes or alterations in the plans or specifications of the

work.

Bidder acknowledges receipt of the following addenda:

Laurel Creek and Travis Meadows**

DESIGNATION OF SUBCONTRACTORS

In accordance with Section 8 of the General Provisions of the City of Fairfield Standard Specifications and Details for this contract, the following list of subcontractors is submitted with the proposal and made a part thereof. **The bidder shall note that he shall perform with his own organization at least 50% of the work with the remainder of the work performed by subcontractors.**

If the Contractor fails to specify a subcontractor for any portion of the work to be performed under the contract, he shall be deemed to have agreed to perform such portion himself, and he shall not be permitted to subcontract that portion of the work except under the conditions hereinafter set forth.

Subletting or subcontracting of any portion of the work for which no subcontractor was designated in the original bids shall only be permitted in cases of public emergency or necessity, and then only after receiving written approval from the Engineer.

The name, CSLB license number, and location of the place of business of each subcontractor who will perform work or labor or render service to the Contractor in or about the construction of the project, the portion of the work to be performed by each subcontractor, and the percent of the total contract to be performed by each subcontractor, is set forth below. All columns are to be filled out. However, the information on percent of total contract may be submitted either with the bid, or within twenty-four (24) hours after the deadline for receipt of bids.

Subcontractor's Name and Address	Subcontractor's CSLB License Number	Portion of Work or Items to be Performed	Percent of Total Bid ¹

NONCOLLUSION DECLARATION TO BE EXECUTED
BY
BIDDER AND SUBMITTED WITH BID

The undersigned declares:

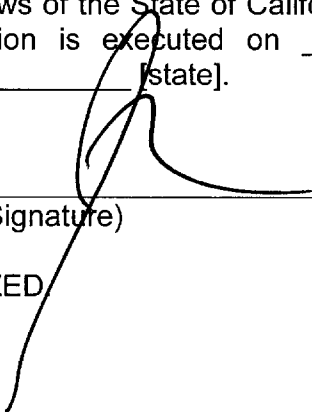

I am the Treasurer of VSS International, Inc., the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on 5/12/2016 [date], at West Sacramento [city], CA [state].

BID BOND

KNOW ALL PERSONS BY THESE PRESENTS that:

WHEREAS the City of Fairfield ("City") has issued an invitation for bids for the work described as follows:

2016 SEAL COAT PROJECT Laurel Creek and Travis Meadows

WHEREAS VSS International, Inc., 3785 Channel Drive, West Sacramento, CA 95691

(Name and address of Bidder)

("Contractor") desires to submit a bid to City for the work.

WHEREAS, bidders are required under the provisions of the California Public Contract Code to furnish a form of bidder's security with their bid.

NOW, THEREFORE, we, the undersigned Contractor, as Principal, and Western Surety Company, 333 South Wabash Avenue, Chicago, IL 60604

(Name and address of Surety)

("Surety") a duly admitted surety insurer under the laws of the State of California, as Surety, are held and firmly bound unto City in the penal sum of 10% of the Total Amount of the Bid

Dollars (\$ 10% BID), being not less than ten percent (10%) of the total bid price, in lawful money of the United States of America, for the payment of which sum well and truly to be made, we bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT, if the hereby bounded Contractor is awarded a contract for the work by City and, within the time and in the manner required by the bidding specifications, enters into the written form of contract included with bidding specifications, furnishes the required bonds, one to guarantee faithful performance and the other to guarantee payment for labor and materials, and furnishes the required insurance coverages, then this obligation shall become null and void; otherwise, it shall be and remain in full force and effect.

In case suit is brought upon this bond, Surety further agrees to pay all court costs incurred by City in the suit and reasonable attorneys' fees in an amount fixed by the court. Surety hereby waives the provisions of California Civil Code § 2845.

IN WITNESS WHEREOF, this instrument has been duly executed by Contractor and Surety, on the date set forth below, the name of each corporate party being hereto affixed and these

presents duly signed by its undersigned representative(s) pursuant to authority of its governing body.

PROJECT SPECIFICATIONS

Special Provisions (Goldenrod Section):

- 1) Page SP-27, Section 30 "Slurry Seal – Types II and III," item 31.1 "Materials and Execution," Insert Part G "Sweeping" as follows:

"G. SWEEPING

Self-propelled power brooms shall be used that are capable of removing loose aggregates generated by the slurry seal. Nylon gutter brooms shall be the only brooms used. On the day of the actual seal coat operations, no sweeping shall take place. Three (3) sweepings shall be performed after placement of the slurry seal to remove all loose aggregates. The Contractor must remove all loose aggregates as required by the City Engineer. During the sweeping, the sweeper shall use only the rear broom, the front brooms shall not be used during this sweeping operation. The initial sweeping shall be performed no sooner than three (3) and no more than five (5) calendar days after the slurry has been applied to the street. The two (2) remaining sweepings shall be performed no sooner than two (2) weeks and no later than five (5) weeks after the slurry has been applied to the street. The final sweeping on cul-de-sacs shall be performed no sooner than four (4) weeks and no later than six (6) weeks after the slurry has been applied to the street. The self-propelled power broom may not be able to pick up loose aggregates in some locations, thus the Contractor shall remove the loose aggregates in these locations using a vacuum sweeper or other acceptable means, as approved by the City Engineer. At the time of each sweeping, all loose materials shall likewise be removed from the sidewalks, driveways, landscaped areas, and properties adjacent to the work area either manually or by any other means acceptable to the City Engineer. The Contractor shall use water on these sweepings to achieve dust removal and the aggregates shall be salvaged and removed from the job site."
